- **Scuderia**
  - **Piazza Giuseppe Verdi, 2**
  - The Scuderia, in the university neighbourhood of Bologna, will be the official Swiss hospitality venue throughout the Children’s Book Fair. Here young Swiss illustrators, who have dubbed themselves the “Bolo Klub”, will exhibit their works. The Scuderia is the ideal meeting place for a nightcap after a demanding day at the Fair.

- **Salaborsa**
  - **Piazza del Nettuno, 3**
  - In the Salaborsa and six other libraries in Bologna, *Notte dei racconti* (Storytelling Night) will take place on Saturday March 30th. This is a series of events that the Institute for Children’s and Young People’s Media (SIKJM) has organised with great success in all regions of Switzerland for many years now. The theme of the evening is Switzerland.

  - In and around the Salaborsa on the weekend before the Fair, a cultural programme with Swiss authors and illustrators will take place in cooperation with the Solothurn Literature Days. The programme will feature, among others, Albertine, Claudia de Weck, Johanna Schaible / Irene Penazzi, Germano Zullo, Alberto Nessi and Franz Hohler (see the programme on page 43).

- **Cineteca di Bologna**
  - **Via Riva di Reno, 72**
  - Swiss films will be screened at Cineteca di Bologna on three days, from Saturday to Monday. In collaboration with Istituto Svizzer and Castelliniana festival internazionale del cinema giovane di Bellinzona.
